

## **About US**

SEMATEC is a private Company, founded in 1999 with the major activity in providing specialty courses for CompTIA, Microsoft, Cisco, Oracle & Linux Courses, not only for the individuals but also for companies and corporations.

We have been aiding individuals with their pursue of starting a career and advancing in their existing career in the IT industry. Over the years, we have assisted a large number of corporate clients in achieving their growth objectives both through system redesign and personnel training. We are continually expanding our scope of services to better meet your needs. Our unique selling proposition is that we are able to offer complete solution to customers.

We offer excellent training facilities with top quality equipment that will seat 14-18 people in each class and in all sessions each two students can work with a computer. Our Center is open from 8:30 am until 8:30 pm, Saturday to Wednesday, and, Thursdays & Friday From 8:30 am until 6:00 pm. IF you wish to visit our Center please Contact training Center manager, who will willing to discuss your training requirements with you.
